An order stating that no orders are required for the present and ~~enquiry~~ calling for the information required by the Dewan was issued (Vide G.O No G 6207 dt 8/6/04.

The Dy Col in his present letter No 10763/455 dt 11/6/04 furnishes the information called for

It is stated that there was no express understanding that Mr Lakshmana Rao, would get more pay than he would draw in the D P W; but that no officer of the D P W would take up the Head Draughtsmanship subject for orders on the same pay as he would get in his travelling Voucher 15/6/04 and other allowances

There seems to be something in the considerations urged for increasing the corresponding D P W pay to Rs 500

The question of Mr Lakshmana Rao promotion is stated to be before the Govt The present reference may therefore be over, till that is settled

This may be placed before the Dewan at once. Though not expressed, it was understood that in view of certain sacrifices

a D.S.W. officer be compensated as result of the School Board gets a somewhat larger pay in the latter capacity because the L. Rao ~~[illegible]~~ is given Rs 200 instead of Rs 150 as the D.S.W. he is allowed in fact now & I think he gets Rs 250 instead of Rs 200 as the Industrial School is

SIR,

In continuation of my letter No 9595 dated 29th April 1904, I have the honour to inform you that Mr T G Lakshmana Rao L.C.E was appointed Headmaster of the Mysore Engineering School in last June on Rs 200 when his pay in the P. W. D grades was Rs 150 The Chief Engineer writes to me that he will get promotion to Rs 200 a month soon if he has not got it already, and thinks it advisable, that I should provide for him Rs 250 as Headmaster in my budget estimates for 1904-05, the higher pay being given to him from 1st July next if he has been promoted already to a pay of Rs 200

the P W D or from the date of such promotion after 1st July next. Mr. Lakshmana Rao sacrifices his allowances by joining the Educational Department temporarily and it would be very undesirable that Mr. Lakshmana Rao should revert to the P. W. D before he has worked in the Engineering School for two or three years more. He has given satisfaction by his work as Head Master hitherto, and is likely to make the school a success for the training of P W D subordinates. I recommend therefore that a provision of Rs. 250 a month may be made for the pay of the Head Master of the Engineering School for 1904-05

Inspector General of Education in Mysore

To L Anantaswami Rao Esq, B.A.,
Offg Secretary to the Govt of His Highness
the Maharaja of Mysore,
Genl & Rev Depts Bangalore.

SIR,

With reference to your docket the 6207 Ed dated 8th June 1904 I have the honour to inform you that Mr T Lakshmana Rao was given Rs 200 in the Engineering School, Mysore, when his pay in the D. P. W was Rs 150 There was no express understanding that Rs 50 more should be given to a D P W Officer when he works as Head Master, but the Chief Engineer as well as the Inspector General believes that no such officer would come to take up the Headmastership the same pay because he would forgeo thereby Travelling and all other allowances The Engineering School is an important technical institution, and

an energetic and experienced
the D. P. W. alone is likely to be an
efficient Headmaster. Moreover the
Chief Engineer very strongly recommends
that Mr. Lakshmana Rao should be
given Rs. 250 in the Education Depart-
ment when his pay in the D. P. W is
raised to Rs. 200. He further writes to
say that the promotion of Mr. Laksh-
mana Rao to Rs. 200 in the D P W is
before the Dewan for sanction. Under
these circumstances I request that a
provision of Rs. 250 for the Head Master
pay may be made in the budget.
It will not be utilised until Mr.
Lakshmana Rao is actually promoted.

I have the honour to be,
